THE ROYALTY INSTITUTE NEWSLETTER

SCHOOL UPDATES - AUGUST 2022

Introducing Principal Jamaal Thomas, Vincent Thomas & True Wisdom Academy

The Royalty Institute is proud to announce two very excited developments. We would like to announce that we have our first principal. Dr. Jamaal Thomas, who received his doctorate from Duquesne University. He most recently worked as an instructional lead teacher in Prince Georges county public schools. He brings a focus on the entire student, and specializes in technical writing and executive functioning and how they correlate to student success. Dr. Thomas is also the CoFounder of True Wisdom Academy, which educates elementary school students grade k-2 in a faith based model. We are truly excited to announce that True Wisdom will be joining Royalty at the Agape Educational Campus.

Mr. Vincent Thomas

Vincent Thomas joins the Royalty Family as our Leadership and Innovation committee chair, as well as a member of the Athletics committee. Mr. Thomas brings over a decade of work as an educator and trainer to our team. Mr. Thomas is also a co-founder of True Wisdom academy, specializing in Mathematics instruction.

How to collaborate with
Royalty

Cyber Warriors 6 -

We hosted our 6th Cyberwarriors event with Spark LLC and Justin Drummond. For session 6 we hosted the Bowie Bulldogs 7u program. In total we exposed nine boys and girls to the cyber security field and began to teach them how to create firewalls as a part of the phenomenal video game created by Mr. Drummond. Stay tuned for more cyberwarriors programming

Fences project update-

We have raised our first thousand dollars for the fences project I would like to think all of the people who have supported to date.

- John Douglas
- Taino Badmus
- Justin Drummond
- Cheryl Wade
- Matilda Carter
- Christina Thomas
- Vivian Shannon-Ramsey

We are raising \$20,000 for the building of a fence and play area at the temple hills site. Please see the final page of the newsletter if you are willing to assist in the fight to provide a better education for black children

KING SPOTLIGHT

Malique Miller
Sophomore - Virginia Union
Royalty 7v7 Football Club - Summer 2020

Malique Miller is now a Sophomore at Virginia State University. He was an all conference linebacker in the DCIAA and a member of the Royalty 7v7 Travel team in the summer of 2020. Malique has always been an intellectual young man who excels in critical thinking and finding solutions to problems. He is slated to be a starter for the Virginia Union Panthers. Ultimately, Mr. Miller has aspirations to play football professionally, but with a 3.5 collegiate GPA the sky is truly the limit for Mr. Miller.

SCHOOL RE (RE) OPENING

We have changed the open date for the 2022 school year due to the fences project. We have officially decided to delay the release of a new date until we have completed the "Fences" project. That said, we are committed to serving our community and plan to open 30-60 Days after we receive final approval. It is apparent that we as a community want and need a change in how we educate black children. It is our promise to fill this need

Cyber Warriors 6 -

We hosted our 6th Cyberwarriors event with Spark LLC and Justin Drummond. For session 6 we hosted the Bowie Bulldogs 7u program. In total we exposed nine boys and girls to the cyber security field and began to teach them how to create firewalls as a part of the phenomenal video game created by Mr. Drummond. The Fences Project

We are in the final stages of the permitting process to open at our Temple Hills Location. We have a \$20,000 project to construct a fence around the property. Once we complete this project, we will be ready to open our doors for the young men in our community. If you would like to contribute to the fences project, please email founder@royaltyinstitute.org, subject line "The Fences Project"
